AGROZEN.COM

#### Grown With No Chemicals

We proudly work with the American farmers who provide our hemp grown with no pesticides or herbicides.

#### 20mg of CBD Per Serving

Our single serve coffee pods are infused with 20mg of Kentucky grown hemp.

#### GMP Certified

Our Good Manufacturing Practice (GMP) ensures every K-Cup is filled and safety sealed for consistent quality.

## CBD COFFEE PREMIUM MEDIUM ROAST

Our medium roast breakfast blend coffee is mixed with the cannabinoid (CBD) supplement to get your day jump started. The incredible aroma and taste of Colombian and Brazilian coffee beans are infused with a proprietary process that delivers 20mgs of CBD per serving.

Each serving is offered in the convenient K-Cup design for single serving instant coffee makers. The CBD Coffee K-Cups are offered in singles or half dozen quantities.

"Discover Natures Wellness" today to improve your quality of life from Agrozen Life Sciences.

## PRODUCT DESCRIPTION

The single serving K-Cup for instant coffee makers is another unique way to enjoy your favorite drink and benefit from the cannabinoid (CBD) plant-based supplement. There's no measuring or mixing, just drop it into your Keurig or other single serving device and within minutes a hot cup of java filled with 20mg of CBD will be ready to enjoy. Rest assured as you sit back and sip your coffee that our Kentucky hemp farmers have planted, harvested, and processed high-quality CBD oil without the use of pesticides or herbicides and were happy to serve you.
